Annual Garage Sale
Saturday, April 14
8:00 am —?
Village of Windsor
Place

Please Vote! Tuesday, April 3rd

There are 2 important issues to vote on regarding the village

1. **Vehicle sales and use tax.** This would impose a 1% tax on goods purchased out of state equal to the sales tax imposed on retail sales in the state of Missouri. If you need more information go to: www.dor.mo.gov/business./sales/
2. **Re-election of board of trustees members:** Steve Gilson and Randon Leathers

Tornado Safety

- Always go to the lowest level of your home, get under something heavy and sturdy, then cover your head with your arms and hands.
- If you can't shelter underground, move to an inside room or hallway and stay away from windows. If possible, get into a bathtub or under a bed or sofa.
- Vehicles can easily be tossed around so do not remain inside your vehicle.
- If you get caught outside, lie flat on the ground facedown away from vehicles and trees. Cover your head with your hands.
- Be aware of flying debris; most storm-related deaths and injuries are caused by flying objects.
- In a building with multiple levels, go to an interior area away from windows and avoid elevators. Interior stairwells are good places to shelter in these circumstances.

UTILITIES AND SERVICES

SEWER SERVICE

Windsor Place provides sewer services to residents with a brand new state of the art wastewater treatment facility which uses green technology to treat wastewater. This results in zero water or pollutants discharging into the area's streams and rivers.
