Information from MoDot

Route 87 Bridge Replacement Project over I-70 in Cooper County. Update on project.

The contractor (Emery Sapp & Sons) plan to begin work the week of July 16. Message boards will be out in the surrounding area soon. The existing bridge is currently scheduled to be demolished starting Friday, July 27 during the overnight hours. During that weekend, all I-70 traffic will be diverted up and over the ramps, and access to I-70 from Route 87 on both the north and south sides of the interstate will be closed. All lanes of I-70 will re-open by 5:00 am on Monday, July 30. The eastbound and westbound ramps will remain open for the majority of the project, with the first closure scheduled for mid-August.

It was awarded to Emery Sapp and Sons for a little over \$4.3 million. Per the contract, the work can begin as early as July 9, and must be completed by November 30.

As the time draws closer, and the projects progresses, we will keep everyone informed of updates through news releases, social media and message boards.

PAY YOUR SEWER BILL ONLINE

Go to:

[www.windsorplacemo.com/
pay-sewer-bill-online/](http://www.windsorplacemo.com/pay-sewer-bill-online/)
